Typical Golf Tournament Package Revenue

A morning shot gun in the month of June with a Chicken & Rib dinner would roughly cost \$76.00 per player. If you charged \$125 per player, then you would profit about \$49.00 per player. If you had 144 golfers in your tournament, you would make roughly \$7,056.00

This does not include any extra money you will have made through your putting green contest, longest drive contest, closest to the pin competitions or any advertising signs you might have sold.
